

## BAGI KOPI GARDEN

**Project Year** : 2021  
**Location** : Surabaya, Indonesia  
**Project Type** : Built Project  
**Project Team** : Fikri Izza  
Josua Ronaldo  
Tedy Shahidan  
Zulfikar Ibrahim

**Short Desc.** : in september 2021, we are honored to design a coffee shop named bagi kopi. since 2019, bagi kopi has been running outlets around indonesia especially in surabaya. we do some research based on their context and intervention of each outlets. it aimed to understanding the context design language and applied it on the site.

main objectives of the whole project were to develop three separate main function on the site. we tried to get to know how far the natural accent of plants and white unite to live up the building.
